**Trellis Ear Bars**  
18k yellow, diamonds  
*Wholesale: \$3995.00*

Dorian Webb's design journey began when she was inspired by Venetian glassblowing while studying architecture at Yale. She created a jewelry collection using Murano glass and semiprecious gems and has since expanded the range. Neiman Marcus has carried her designs along with retailers in the U.S., Canada and Japan. Dorian has garnered awards including The NY International Gift Fair's Artisan's Award, the Madam CJ Walker Entrepreneur Award and as a finalist in THENEXTNOW competition for emerging jewelry designers.

Dorian lives in Oakland, CA where she contributes to her community as an entrepreneur and activist. She launched Uplift, creating pop-up stores in empty spaces for African American businesses, and writes for a regional magazine.

*“Celebrating women, African American culture and the beauty of connection, Dorian Webb’s first diamond collection is designed with intention.*

*Employing recycled 18k gold and featuring compositions that encourage moments of reflection and spark conversation, each piece thoughtfully highlights and centers what is often overlooked.”*
